

SCHOOL COUNCIL MEETING

Tuesday, March 28, 2022
6:45 p.m.

Three balloons are positioned on the left side of the slide. The top balloon is green, the middle one is a lighter shade of green, and the bottom one is brown. Each balloon has a green string and is surrounded by several small, light purple triangular shapes that resemble confetti or streamers.

WELCOME AND INTRODUCTIONS

ADOPTION OF MINUTES

The left side of the page features three stylized balloons. The top one is dark green, the middle one is light green, and the bottom one is brown. Each balloon has a green or brown string and is surrounded by several small, light purple triangular shapes that suggest movement or light. The background is a solid, light green color.

PRINCIPAL'S REPORT

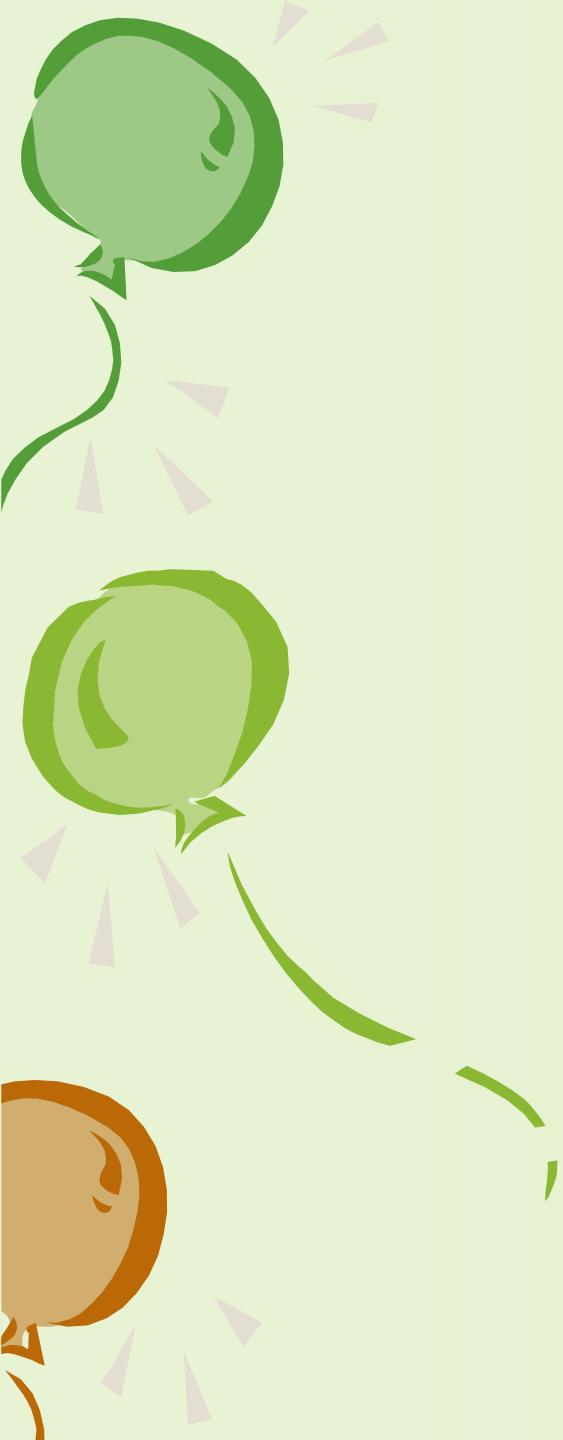

SCHOOL COUNCIL FIELD TRIP

The left side of the slide features three balloons: a green one at the top, a light green one in the middle, and a brown one at the bottom. Each balloon is attached to a string and has several small, light-colored triangular shapes around it, resembling streamers or confetti.

COVID UPDATES

- Masking No Longer Mandatory
- Bus Seating Plans still in place
- Covid Signage – Keep Hand Hygiene & Front Door Screener
- Designated Health Room
- Rapid Antigen Tests Available as Requested

A decorative vertical column of three balloons is positioned on the left side of the slide. The top balloon is green, the middle one is a lighter shade of green, and the bottom one is brown. Each balloon has a string and several small, light-colored triangular shapes trailing behind it, suggesting movement or air. The balloons are partially cut off by the left edge of the frame.

Reclaiming Learning Environment

Schoolwide

- Cohorting no longer required outside
- Parents can access the school for in person meetings by appointment
- Spectators are welcome for sports

Classroom

- Flexible seating/collaborative desk groupings
- Guided reading tables can return
- Rotary teaching
- Small Group Instruction (within/between classes)
- Singing/Wind Instruments

YEAR END TRIPS

Kdg-Grade 3 => PALS

(Positive Active Living for Students)

Grade 4-8 => TBD

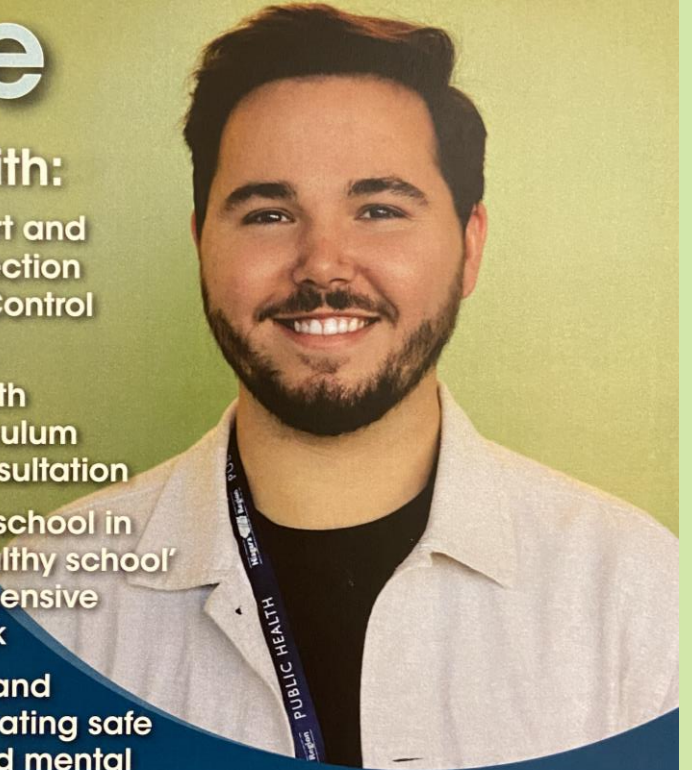

PALS Trip + Bus = \$35.00

SCHOOL NURSE

School Health Nurse

I can help with:

- COVID-19 support and guidance on Infection Prevention and Control measures
- One-on-one health education, curriculum support and consultation
- Supporting your school in becoming a 'healthy school' using a comprehensive health framework
- Supporting staff and students with creating safe environments and mental wellness for in-person learning

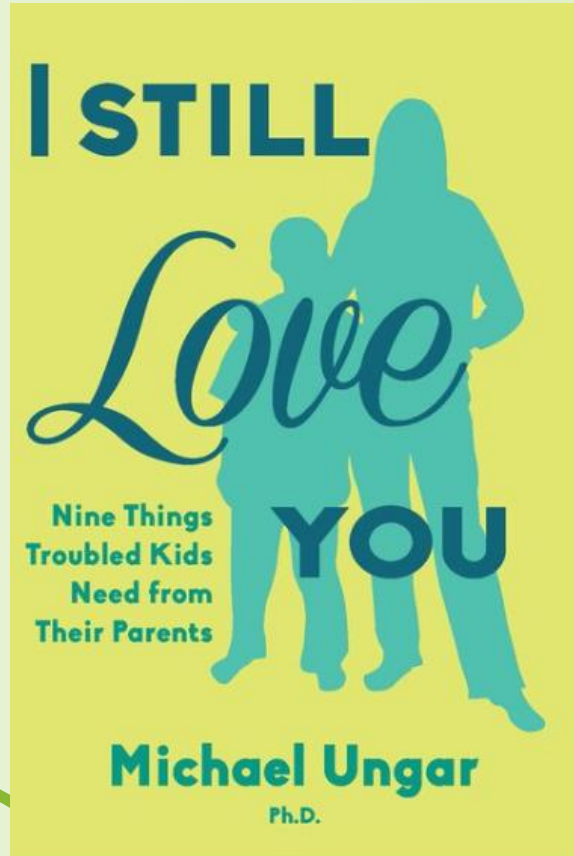

Call or text Nurse Austin at 905-328-3968

Your link to Public Health services such as dental, vaccines, inspection, tobacco control, and more.

BOOK – I STILL LOVE YOU

By Michael Ungar

Therapist Michael Ungar uses the struggles of three families and his own history to help the parents of difficult children.

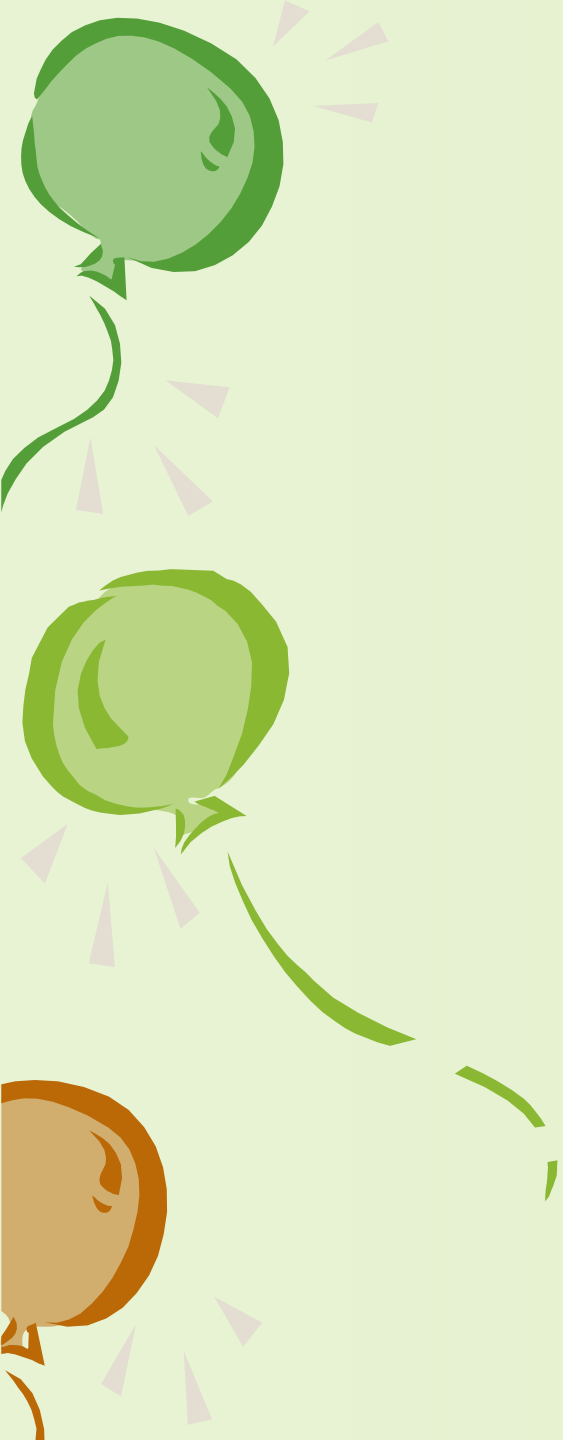

Family therapist Michael Ungar, internationally renowned for his work on child and youth resilience, takes us into his world each Wednesday, when he meets with three families with very troubled children. Here, Michael shares a side of himself that is not the all-knowing therapist: he too was a troubled teen, growing up in an emotionally and physically abusive home.

In the book, Michael shares nine things that all troubled kids need from their parents that will help them turn their lives around and flourish:

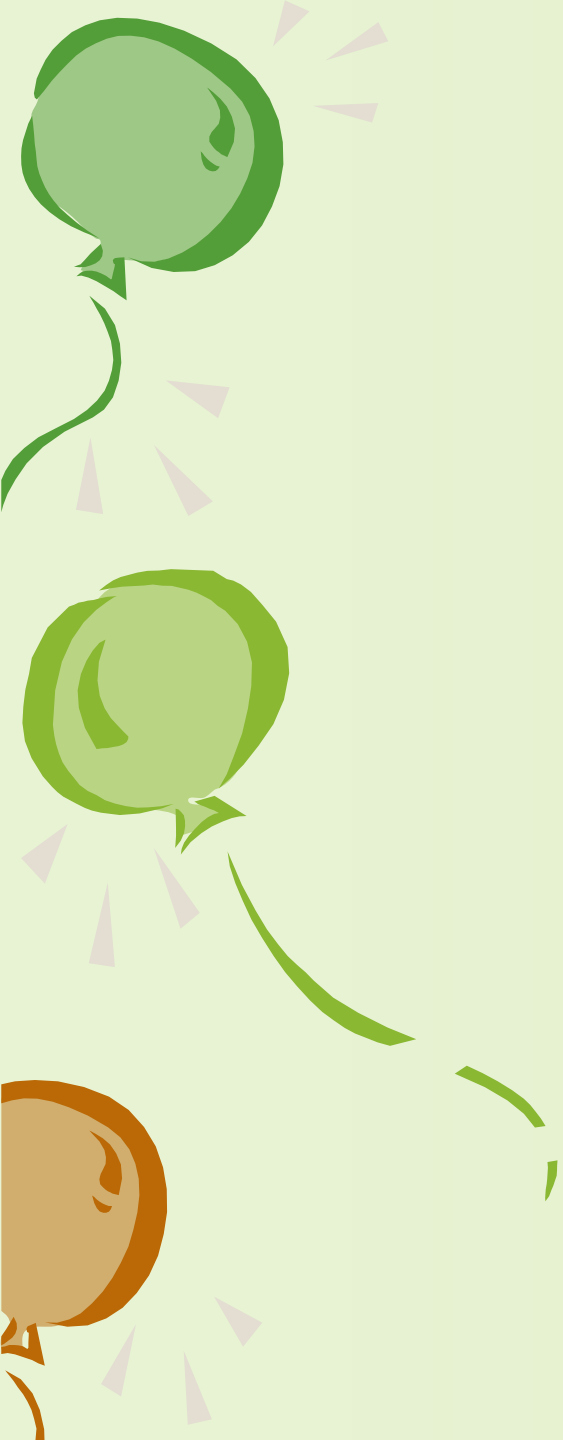

Structure

- Consequences
- Parent-child connections
- Lots of peer and adult relationships
- A powerful identity
- A sense of control
- A sense of belonging, spirituality, and life purpose
- Fair and just treatment by others
- Safety and support

Hopeful in tone, and using knowledge gathered from Michael's work around the world, *I Still Love You* shows that it is never too late to help our children change and reconnect with those who will always love them.

TEACHER'S REPORT

Upcoming Dates

April 1 – Autism Awareness Day (wear blue)
